

Industrial Sector Opportunity Map

Selected opportunities from ProjectX India | September 15, 2026 Edition

A focused view of industrial project, expansion, manufacturing, process-industry, industrial-infrastructure and related opportunities identified in the edition.

334 Verified Projects, Tenders & Contracts	70+ Industry Sub-Sectors	Pan India Projects Across States	Fortnightly Project Intelligence
---	------------------------------------	--	--

This Opportunity Map is a **selected sample** of industrially relevant opportunities from the September 15, 2026 edition. The complete ProjectX India edition contains the full project database across 70+ sub-sectors, with project stages ranging from planning and tendering to contract awards, implementation and completion.

Automotive, Engineering & Advanced Manufacturing

01	JSW MG Motor India Plans Rs 6,000 Crore Capacity Expansion in Gujarat
02	MAHLE Commences Commercial Production at Coimbatore E-Compressor Plant
03	Expansion of Brakes India Industrial Manufacturing Facility in Chengalpattu
04	LAPP Expands Bhopal Facility with New Low Voltage Cable Unit
05	R&D; and Manufacturing Facility in Sangareddy
06	Proposed Industrial Shed at Baramati, Pune
07	Combat Aircraft Components for Aerospace Use
08	Robotic Welding Line Order
09	Order for 800 MT Fabricated MS Steel Items
10	Supply of Services and Equipment order

Steel, Metals, Mining & Mineral Processing

01	Steel Ingots, Billets and Flanges Manufacturing Unit through Scrap Recycling
02	Anjaneya Ispat to Expand Coke Oven Capacity and Set Up 10 MW Captive Power Plant
03	DRI Expansion at Hazaribagh
04	Induction Furnace & Steel Casting Plant at Hazaribagh
05	Rolling Mill at Hazaribagh
06	Integrated Steel Plant at Bellary
07	Proposed Industrial Expansion at Halavarthy, Davangere
08	DRI-Based Integrated Steel Plant at Village Mul
09	Establishment of 3.0 MTPA Wet Coal Washery
10	Sandur Manganese Iron Ore Mine Production Enhancement

Chemicals, Pharma, Biofuel & Process Industries

01	Establishment of Pharmaceutical and Pesticide Intermediates Manufacturing Unit in Sonipat
02	Expansion of Drug Intermediates and API Manufacturing Facility
03	Establishment of Fine and Specialty Chemicals Manufacturing Facility at Ambernath
04	Establishment of Dyes and Dyes Intermediates Manufacturing Unit in Jalore
05	1 MMTPA Biofuel Complex at Kajurda
06	Coastal Corporation Plans 300 KLPD Ethanol Plant in Odisha
07	Expansion of Molasses-Based Distillery in Moradabad
08	Grain-Based Distillery at Basti
09	Nutricia International Plans Manufacturing Unit Expansion in Mohali
10	Revamp of CDU-4 and Auxiliary Units at Mumbai Refinery

Cement, Textiles, Tyres & Industrial Materials

01	Establishment of Integrated Cement Plant in Dima Hasao
02	0.3 MTPA Cement Grinding Unit at Prakasha, Nandurbar
03	Establishment of 6 MMTPA Cement Grinding Unit in Thane
04	3F Industries Plans Manufacturing Unit Expansion Near Krishnapatnam Port
05	Hindalco Commissions 30,000 TPA Superfine PPT ATH Plant Karnataka
06	Viscose Staple Fibre Plant Expansion at Vilayat
07	Pallavaa Group Announces Rs 1,000 Crore Integrated Textile Investment
08	Expansion of CEAT Tyre Manufacturing Facility at Halol, Gujarat
09	Tollins Tyres Begins Construction of Manufacturing Facility in Palakkad
10	Tyres Manufacturing Unit at Gopalpur Industrial Park
11	Ananta Plywood Industries plans plywood manufacturing unit

Industrial Energy, Electrical & Utilities

01	AFBC & WHRB Power Plant at Hazaribagh
02	Supply of 66 kV EHV Underground Power Cables
03	Order to supply of specialised MV cables
04	Order to supply of Cables & Conductors
05	Supply of 26 Power Transformers to AP TRANSCO
06	Supply of 86 Units of 11 kV VCB Panels
07	Station RTU and FRTU Systems for 125 Electrical Substations
08	Comprehensive Infrasecure Project for Five Substations
09	6000 MW HVDC Terminal Station for Renewable Power Evacuation
10	Transmission and Distribution Orders Across India, Saudi Arabia and the Americas

Industrial Infrastructure, Logistics & Process Services

01	Balance Development of 6,641-Ha Multi-Product SEZ
02	Shipbuilding and Ship Repair Facility at Deendayal Port
03	Kerala Leases Land to Cochin Shipyard for Shipbuilding Project
04	Inland Container Depot at Kudathini
05	Gas Compression Services at Balol GGS-1
06	EPCIC Work for ADR I and NLM-14 Offshore Projects
07	LPG Pipeline from Paradip to Raipur
08	Two Dry Bulk Berths at Paradip Port
09	Permanent Siding for 1320 MW Buxar Thermal Power Project
10	Type IV Composite CNG Cylinders and Mobile Storage Cascades

Environmental, Water & Industrial Waste

01	Steel Ingots, Billets and Flanges Manufacturing Unit through Scrap Recycling
02	DPR for Solid Waste Management under SBM 2.0 at Anuppur
03	DPR for Modern Slaughterhouses with ETP Facilities
04	Sewage Treatment Plant at Naval Base Porbandar
05	Sewage Treatment Plant at Naugam
06	Effluent Treatment Plant at DAGEGC, Jamnagar
07	2,400 kg/hour Common Biomedical Waste Treatment Facility in Nuh
08	Scientific Landfill for Municipal Solid Waste Rejects at Hadapsar
09	Mohali Plans 300 TPD Compressed Biogas Plant at Samgauli
10	Oil Green Energy to Develop Four Waste-to-Energy Plants in Haryana

Explore the Complete ProjectX India Edition

The opportunities shown here are only a selected view of the ProjectX India | September 15, 2026 Edition. The complete digital edition brings together 334 verified projects, tenders and contracts across 70+ industry sub-sectors.

For industrial manufacturers, equipment suppliers, EPC companies, engineering firms, consultants, technology providers, contractors and business-development teams, ProjectX India provides a broader project pipeline for identifying relevant opportunities.
